Thank you for considering Helping Hands Montessori Services for your child. In order to secure your child's spot on the wait list, we ask that you submit a non-refundable \$150.00 Application Fee along with a completed application form and a current family photo. You can submit your application via mail or email for processing. Your application fee must be submitted with the application and can be sent via mail, Venmo (@talithagreen), or pay pal at the above email address.

Please note that the waiting list is always open, and enrollment opportunities depend on available spaces in our program as well as your child's birth date, gender and readiness. Siblings of currently enrolled students are given priority; thereafter, applicants are considered in order of the date the application and fee were received, and according to our goal of balancing gender, age, temperament, and diversity in the classroom.

If & when your child is accepted as a student, an Enrollment Fee, Parent Support Fund Deposit and a Supply Fee are due along with a completed Enrollment Agreement. More about tuition and fee schedules, summer camp information, and 'Little Learners' Program information is listed on our website.
